

Equality and Diversity Policy

Introduction

We are an equal opportunities employer. We are committed to equality of opportunity and to providing a service and following practices which are free from unfair and unlawful discrimination. The aim of this policy is to ensure that no person receives less favourable treatment on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy or maternity, race, religion or belief, sex or sexual orientation, or is disadvantaged by conditions or requirements which cannot be shown to be relevant to performance. It seeks also to ensure that no person is victimised or subjected to any form of bullying or harassment.

The terms equality, inclusion, diversity and equity are at the heart of this policy. 'Equality' means ensuring everyone has the same opportunities to fulfil their potential free from discrimination. 'Inclusion' means ensuring everyone feels comfortable to be themselves at work and feels the worth of their contribution. 'Diversity' means the celebration of individual differences amongst the workforce. 'Equity' means recognising barriers and that some groups are more advantaged than others, and putting measures in place to eliminate these barriers, ensuring equal opportunities for all. We will actively support diversity, equity and inclusion and ensure that our workforce is valued and treated with dignity and respect. We want to encourage everyone in our organisation to reach their potential.

We value people as individuals with diverse opinions, cultures, lifestyles and circumstances. This policy covers all employees, officers, consultants, contractors, volunteers, casual workers and agency workers and it applies to all areas of employment including recruitment, selection, training, deployment, career development, and promotion. These areas are monitored, and policies and practices are amended if necessary to ensure that no unfair or unlawful discrimination, intentional, unintentional, direct or indirect, overt or latent exists.

Equality of opportunity, valuing diversity and compliance with the law is to the benefit of all individuals at Garden Organic as it seeks to develop the skills and abilities of its people. While specific responsibility for eliminating discrimination and providing equality of opportunity lies with managers and supervisors, individuals at all levels have a responsibility to treat others with dignity and respect. The personal commitment of everyone to this policy and application of its principles are essential to eliminate discrimination and provide equality and equity throughout our Charity.

Breaches of this policy will be dealt with in accordance with our Disciplinary Procedure. Serious cases of discrimination may amount to gross misconduct resulting in dismissal without notice.
